39. (Unclassified - DFM) ADMINISTRATIVE - DELIVERIES
Delivered to Loch Johnson, House Permanent Select Committee on
Intelligence staff, [REDACTED] Restrictions on Operational Use of
Certain Categories of Individuals. "

40. (Unclassified - JEC) LEGISLATION Called Bill Funk, Counsel
to the Legislation Subcommittee of the House Permanent Select Committee
on Intelligence, concerning the Director's testimony on electronic surveillance
bills on 10 January 1978. He said he was not yet sure about the tact the
Committee would take, but he would send us a copy of questions as soon
as he had prepared them. In his opinion the hearings would not be the same
as those conducted in the Senate because the House Committee members are
not as knowledgeable on the subject and will not focus on specific issues at
this point. He asked that the Director make at least some general comments
on each of the bills which have been introduced and make comments on
specific provisions which concern the DCI.

41. (Unclassified - JEC) LIAISON Called Ron Kienlen, OMB, to
check on the status of the rewrite of Executive Order 10450. He said they
hoped to have a copy of it to us by the end of January.
